

# Penn Medicine

Penn Medicine is a preferred provider of your health plan.

Penn is one of the world's leading academic medical centers, dedicated to the related missions of medical education, biomedical research, and excellence in patient care. With Homestead, you and your families gain access to prestigious Penn Medicine providers and facilities in Southeastern Pennsylvania and South Jersey. To find a Penn Medicine provider or facility, look them up at [www.homesteadproviders.com](http://www.homesteadproviders.com) or call 215-316-5150 or 800-789-PENN (7366). Tell them you are part of a Claim Watcher Plan.

## Penn Medicine Bucks County

---

Penn Medicine Bucks County provides expert primary care and specialty health care, plus a full range of services – right in your community. Now patients and their families can see their primary care physician, consult with a specialist, and get radiology services\* all in one place.

### Highlights of This Facility

**Address:**

Penn Medicine Bucks County  
777 Township Line Road  
Yardley, PA 19067  
Phone: 215-860-0775

- **An integrated model of care.** Instead of separate offices, physicians share space to allow for better coordination between primary care, specialty care, and diagnostic services.
- **Common electronic medical record.** All of the physicians at the center use **myPennMedicine**, a common electronic medical record that is linked across the entire health system. Patients have access to their medical records through a secure website and will be able to communicate electronically with their physician's office.
- **Convenient scheduling.** It's easy to schedule an appointment with any doctor at Penn Medicine Bucks County. To schedule an appointment, call 800-789-7366 (PENN) or request an appointment online.
- **Free parking.** Penn Medicine Bucks County offers plenty of free parking on the premises.
- **Featured Services:** Primary health care (internal medicine and family medicine), specialty care (cardiology, pulmonology, surgery, travel medicine, and more), radiology services

\*A facility of the Hospital of the University of Pennsylvania

# LIFE WELL LIVED

**Access to the region's finest health care is conveniently located in your neighborhood.**

Penn Medicine provides coordinated, patient-centered care at more than 50 locations throughout the region. From childhood through the rest of your life, Penn primary care physicians and staff partner with you to develop personalized goals and wellness plans to meet your specific health needs.

So wherever you are in your health care journey, when you need care, you won't have to go far. We're just around the corner.
